

BREAKFAST TOSTADAS

From Simply Full of Delight

INGREDIENTS

- Corn tortillas
- Oil for frying (any vegetable oil will do)
- Eggs – about 2 eggs per person
- Cooking spray
- Toppings: Your choice of bacon, avocado, cheese, tomatoes, cilantro, green onions, jalapenos, green peppers, salsa

PROCEDURE

Start by heating the oil in a large stock pot. Once it is hot enough, add your corn tortillas and cook until crisp. You will need to flip them halfway through.

Heat your pan for the eggs. Spray the pan with cooking spray and add the eggs. I like mine scrambled, but there's no rules here, so do what you like!

While the eggs are cooking, prep the toppings. As stated above, you pretty much add anything to these!

Assemble and enjoy!
